To listen to the audio webcast of the presentation during the event, please visit: <http://investors.insulet.com>. A replay of the webcast will be available for 30 days.

### About Insulet Corporation

Insulet Corporation is an innovative medical device company dedicated to improving the lives of people with diabetes. The Company's OmniPod Insulin Management System is a revolutionary, discreet and easy-to-use insulin infusion system that features two easy-to-use parts with no tubing and fully-automated cannula insertion. Through the OmniPod System, Insulet seeks to expand the use of continuous subcutaneous insulin infusion (CSII) therapy among people with insulin-dependent diabetes. Founded in 2000, Insulet is based in Bedford, MA.
